

**John Bel Edwards**  
GOVERNOR

## Proclamation

- WHEREAS,** an estimated 2,600 men in the United States are diagnosed with breast cancer each year and an estimated 450 men each year will die from the disease; and
- WHEREAS,** the public commonly thinks of breast cancer as a disease affecting only women, a misconception that can delay diagnosis and treatment in men, often leading to death; and
- WHEREAS,** early detection of male breast cancer is critical, as men who are diagnosed when breast cancer is in its earliest stages have an increased chance of successful treatment and, ultimately, survival; and
- WHEREAS,** due in part to a lack of awareness that men can develop the disease, men are generally diagnosed with breast cancer at a later stage than women, which affects prognosis and treatment; and
- WHEREAS,** in order to facilitate early diagnosis and prompt treatment of male breast cancer, public education, awareness, and understanding of the disease is necessary; and
- WHEREAS,** in remembrance of the men who have lost their lives to breast cancer, and in support of those who are currently fighting this often overlooked disease, it is appropriate to designate October 16 through October 22, 2016 as "Male Breast Cancer Awareness Week."
- NOW, THEREFORE,** I, **John Bel Edwards**, Governor of the State of Louisiana, do hereby proclaim October 16–22, 2016 as

**MALE BREAST CANCER AWARENESS WEEK**  
in the State of Louisiana.

*In Witness Whereof, I have hereto set my hand  
officially and caused to be affixed the Great Seal of the State  
of Louisiana, at the Capitol, in the City of Baton Rouge,  
on this 16th day of October A.D., 2016.*

  
Governor of Louisiana
