***AMENDED STATE OF EMERGENCY  
TROPICAL STORM ARTHUR – JUNE 18, 2026***

---

**WHEREAS**, the Governor is responsible for meeting the dangers to the state and people presented by emergencies and disasters;

**WHEREAS**, the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. R.S. 29:721, *et seq.*, confers upon the Governor of the State of Louisiana emergency powers to address disasters resulting from natural or man-made events that cause or threaten loss of life, injury, or property damage, as well as emergencies, which include actual or potential conditions created by such disasters, in order to ensure that the preparations of this State will be adequate to deal with such emergencies or disasters and to preserve the lives and property of the people of the State of Louisiana;

**WHEREAS**, when the Governor determines that a disaster or emergency has occurred, or the threat thereof is imminent, R.S. 29:724(B)(1) empowers him to declare a state of emergency or disaster by executive order, which has the force and effect of law;

**WHEREAS**, R.S. 29:724 authorizes the Governor during a declared state of emergency to suspend the provisions of any state regulatory statute prescribing procedures for conducting state business, or the orders, rules, or regulations of any state agency, if strict compliance with the provision of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency;

**WHEREAS**, a declaration of emergency or disaster activates the state's emergency response and recovery program under the command of the Director of the Governor's Office of Homeland Security and Emergency Preparedness ("GOHSEP");

**WHEREAS**, GOHSEP is responsible for determining the requirements of the state and its political subdivisions for food, clothing, and other necessities and supplies in a designated emergency area;

**WHEREAS**, Tropical Storm Arthur brought widespread rainfall and severe storms across Louisiana on June 17 and 18, 2026;

**WHEREAS**, the National Weather Service has already confirmed three tornadoes during that period, and estimates that the parishes of Avoyelles and Pointe Coupee experienced record or near-record rainfalls in a twelve-hour span;

**WHEREAS**, many parishes have declared states of emergency and executed their emergency operations plans in order to protect drivers, control floodwaters, conduct search and rescue operations, shelter citizens, and conduct other emergency protective measures;

**WHEREAS**, the National Weather Service reports that many rivers, including the Tchefuncte and Tangipahoa, are already at minor or major flood stage and will likely rise over the next two days, worsening the existing flood conditions; and

**WHEREAS**, some parishes may require assistance from the State to provide resources to protect the life, safety, and welfare of the citizens of Louisiana, especially those parishes conducting search and rescue, evacuations, and sheltering operations;

**WHEREAS**, on June 23, 2026, I issued JML 26-057 declaring a state of emergency in the parishes of Avoyelles, Lafourche, Pointe Coupee, Rapides, St. Landry, St. Tammany, and Terrebonne;

**WHEREAS**, it is necessary to amend the designated emergency area in JML 26-057 to add the parishes of St. Charles and Winn;

**NOW THEREFORE, I, JEFF LANDRY**, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and laws of the State of Louisiana, order and direct as follows:

Section 1: Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, R.S. 29:721, *et seq.*, a state of emergency is hereby declared to exist as a result of the emergency conditions that currently threaten the lives, safety, and property of the citizens in Louisiana.

Section 3: The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law that he deems appropriate in response to this declaration.

Section 4: Pursuant to R.S. 29:732, during a declared state of emergency, the prices charged or value received for goods and services sold within the designated emergency area may not exceed the prices ordinarily charged for comparable goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

Section 5: Pursuant to R.S. 29:724(D)(1), the Louisiana Procurement Code (R.S. 39:1551, *et seq.*) and Louisiana Public Bid Law (R.S. 38:2211, *et seq.*) and their corresponding rules and regulations are hereby suspended for the purpose of the procurement of any good or services necessary to respond to this emergency, including emergency contracts, cooperative endeavor agreements, and any other emergency amendments to existing contracts.

Section 6: All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to this event.

Section 7: This Order is effective upon signature and shall remain in effect from Tuesday, July 7, 2026, until Thursday, August 6, 2026, unless amended, modified, terminated, or rescinded earlier by the Governor, or terminated by operation of law.
